Boot Camp registration now open!

September 9 and 10th in Suburban Philadelphia

We can now announce that the Fall 2019 edition of the Livery Coach User Experience (aka Boot Camp) will be held at the Sheraton Great Valley in Frazer PA. For those of you who participated in the Fall 2016 Boot Camp, this is the same hotel.

The hotel room rates will \$139/night and we should have a booking link and code by next week.

The fee for the boot camp is \$495/person, which includes all the sessions and lunch on Monday and Tuesday.

We are also working on expanding our options for our Monday night event—depending on interest, we might have several smaller events, each with at least one Livery Coach representative.

Options include a local dinner, a dinner in Philadelphia (about 45 minutes to an hour away), and attending the Phillies-Braves game on Monday (also 45 minutes to an hour away).

If all events are offered, please let us know which event you would like to attend, so we can make appropriate arrangements. (Note that a Monday night event is subject to cancelation if demand is low.)

We are planning two full days of learning and networking. Topics to be covered will include all about mobile, group management, rates, accounting, and other topics of interest. You will also get a preview of some new features and functions on the horizon. We will allow ample time for questions, sharing of best practices, suggestions, and networking. We will publish an expanded agenda soon. It is you, our valued customers, who help make Livery Coach what it is, and your ideas are integral to our future development.
