

Tech Tip Tuesday—February 18, 2020

CD/NLA Show in Las Vegas is Nearly Here!

Next week is the CD/NLA Show in Las Vegas! If you haven't already RSVP'd for the Livery Coach user meeting, and are planning on attending, please let us know ASAP by calling Caralyn at 610-296-7800 x7007 or emailing news@liverycoach.com

The meeting will be held **Sunday (February 23) at 3:30pm in Oceanside F.**

We only have the room until 4:45, so this will not be a lengthy meeting.

See you there!

Limited Staffing next week

We'd also like to remind you that because of the upcoming show, we will have limited staffing to respond to support calls. Therefore, training and other types of lengthy non-urgent calls can not be scheduled next week, nor can server moves. We appreciate your patience.

Tech Tip on Hiatus

Although we're not at the LCT Show this year, we know that some of you are, and the last thing you need is a Tech Tip when you won't have time to read it.

So no Tip this week.
