

## **Tech Tip Tuesday—February 25, 2020**

### **It's great to see so many of you here in Las Vegas at the CD/NLA Show!**

It was great to see so many of you at the User Meeting and here at the show.

If you are at the show and haven't stopped by to say hello, you can find us in booths 38/40, back beyond the NLA Lounge (which is behind the Grech booth).

For those of you who couldn't make it, the next event we have on the schedule is the Chauffeur Driven Executive Retreat in June.

We would also like to thank Jim and John for holding down the fort in tech support, and for all of you for being patient with your calls.

### **Tech Tip back next week**

Since we're still at the show (as are many of you), no tip this week. But look for one next Tuesday.
