

Tech Tip Tuesday—November 17, 2020

Schedule Reminder

As mentioned in last week's Tech Tip, there is no regular Tech Tip this week because we know many of you are busy with the virtual CD/NLA show. There will also be no Tech Tip next week in honor of the Thanksgiving holiday. The Tech Tip will return on December 1, 2020.

Also, our office will close for Thanksgiving at 6pm eastern on Wednesday, November 25th, and will be closed through the weekend, opening back up on Monday, November 30th, at 9am eastern time.

As always, EMERGENCY support is available 24/7, but please limit the calls to emergencies only. Thanks for understanding.
