Will you be at our User's Meeting in Las Vegas?

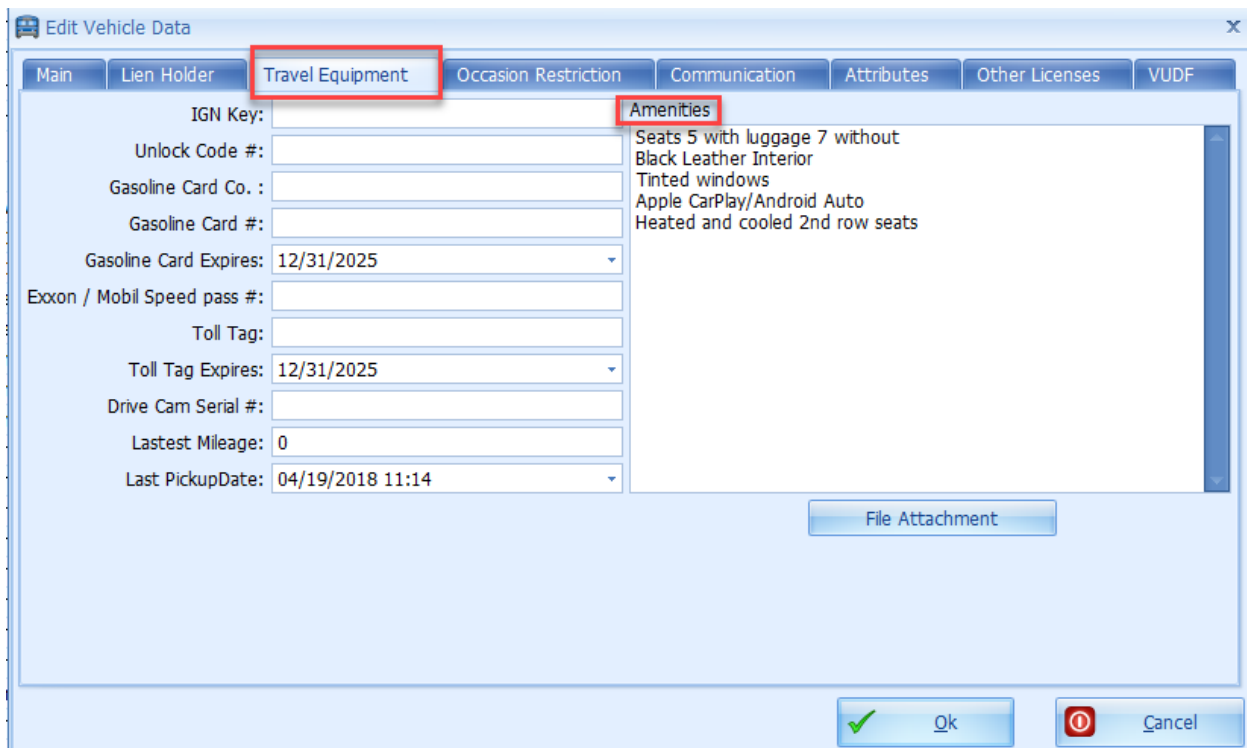

As previously announced, Livery Coach will be exhibiting at the CD/NLA show at the MGM Grand in Las Vegas on March 5-7. In conjunction with the show, we will be having our user meeting on Sunday, March 5, at 4:15pm-6pm. The room will be announced when they tell us.

This meeting is open to all Livery Coach clients, and we encourage you to attend, but we need a headcount.

Please RSVP with the names of attendees to news@liverycoach.com Thanks!

Vehicle Amenities

One of the fields available when you enter a new vehicle or edit an existing vehicle is the Amenities field. It's located under the Travel Equipment tab, and is designed for you to be able to enter whatever you like about the vehicle that you want your agents to easily access.

The screenshot shows a software window titled "Edit Vehicle Data" with a close button (X) in the top right corner. The window has several tabs: "Main", "Lien Holder", "Travel Equipment" (highlighted with a red box), "Occasion Restriction", "Communication", "Attributes", "Other Licenses", and "VUDF". Under the "Travel Equipment" tab, there is a sub-tab labeled "Amenities" (also highlighted with a red box). The "Amenities" field is a large text area containing the following text: "Seats 5 with luggage 7 without", "Black Leather Interior", "Tinted windows", "Apple CarPlay/Android Auto", and "Heated and cooled 2nd row seats". To the left of the "Amenities" field are several input fields: "IGN Key:", "Unlock Code #:", "Gasoline Card Co.:", "Gasoline Card #:", "Gasoline Card Expires:" (with a dropdown menu showing "12/31/2025"), "Exxon / Mobil Speed pass #:", "Toll Tag:", "Toll Tag Expires:" (with a dropdown menu showing "12/31/2025"), "Drive Cam Serial #:", "Lastest Mileage:" (with the value "0"), and "Last PickupDate:" (with a dropdown menu showing "04/19/2018 11:14"). At the bottom right of the window, there is a "File Attachment" button. At the very bottom of the window, there are two buttons: "Ok" (with a green checkmark icon) and "Cancel" (with a red stop icon).

Once you have some Amenities there, you can see them in the Vehicle Assignment screen when you select that vehicle:
